DETAILED ACTION

Election/Restrictions

1. Applicant's election without traverse of invention of Group I, claims 1-7 and 9 in the reply filed on 8 March 2007 is acknowledged.

Double Patenting

2. Claims 1-7 and 9 stand provisionally rejected on the ground of nonstatutory obviousness-type double patenting as being unpatentable over claims 1, 4-6 and 8 of copending Application No. 10/668,956 in view of McCollum et al. (US 2003/0054193), for reasons as of record.

Response to Arguments

3. Applicant's arguments, see the last paragraph of page 4 through the first partial paragraph of page 6, filed 8 March 2007, with respect to claims 1-7 and 9 have been fully considered and are persuasive. Further, because of the unexpected results as shown in page 14 of the specification from the combination of the recited bismuth salt with the recited yttrium and/or neodymium compound. The rejection of claims 1-7 and 9 under 35 USC 102 and 103 has been withdrawn.

The rejection to claim 6 under the 2nd paragraph of 35 USC 112 is also withdrawn

Art Unit: 1753

since the claim has been amended to obviate the rejection

As to the rejection of claims 1-7 and 9 on the ground of nonstatutory obviousness-type double patenting, the rejection stands because of no submission of a terminal disclaimer and/or no argument.

Conclusion

4. **THIS ACTION IS MADE FINAL.** Applicant is reminded of the extension of time policy as set forth in 37 CFR 1.136(a).

A shortened statutory period for reply to this final action is set to expire THREE MONTHS from the mailing date of this action. In the event a first reply is filed within TWO MONTHS of the mailing date of this final action and the advisory action is not mailed until after the end of the THREE-MONTH shortened statutory period, then the shortened statutory period will expire on the date the advisory action is mailed, and any extension fee pursuant to 37 CFR 1.136(a) will be calculated from the mailing date of the advisory action. In no event, however, will the statutory period for reply expire later than SIX MONTHS from the mailing date of this final action.
